

Hollow Oak Land Trust

PROTECTING AND CONNECTING GREENSPACE

SUMMER / FALL PROGRAMMING 2023

Habitat Hike

7/20/2023 2PM - 3PM

Kids Program

Join the Hollow Oak Land Trust Conservation Rangers to learn about where animals live. What is a habitat, what do animals get from their habitats, and what kinds of habitats do we have in our area? Join us to find out! This hike is intended for kids ages 5-10 but everyone is welcome, kids must be accompanied by an adult. The hike will be approximately 1 hour covering easy terrain, please bring water and wear closed toe shoes.

Habitat Hike

7/21/2023 5PM - 6:30PM

All Ages Program

Join the Hollow Oak Land Trust Conservation Rangers to learn about the habitats in your neighborhood. What is a habitat, what do animals get from their habitats, and what kinds of habitats do we have in our area? Join us to find out! This hike is for all ages and will be approximately 1.5 hours covering moderate terrain, please bring water and wear closed toe shoes.

Learn About The Locals

9/07/2023 5PM - 6:30PM

All Ages Program

Join the Hollow Oak Land Trust Conservation Rangers to explore some of the mammals that call our area home. We will be learning about what these animals eat, where they live, and some interesting facts about them with an opportunity to touch their pelts and skulls and discover what makes our mammal neighbors unique. This hike is for all ages and will be approximately 1.5 hours covering moderate terrain, please bring water and wear closed toe shoes.

Learn About The Locals

9/07/2023 5PM - 6PM
